Fair Fakirs.

We understand that there are a great many pickpockets, sneak thieves and fakirs following the fairs this year, and that they were at the Mexico fair in force and numbers. Quite a number of houses were entered in that city and robbed while their occupants were at the fair. We call attention to this fact that our people may be on their guard and exercise more than usual caution during our fair this week. Moberly Monitor.

Remarkable Rescue.

Mrs. Michael Curtis, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefitted from the first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own housework, and is as well as she ever was. Free trial bottles of this Great Discovery, at P. H. Franklin's drug store. Only 25¢ and \$1.00, every bottle guaranteed.

Minister a Moonshiner.

The Rev. Thomas Payne, an aged Baptist minister of North Carolina, living near the Tennessee line, is a prisoner in the county jail at Chattanooga, Tenn., on the charge of illicit distilling. He was arrested a few days ago by federal officers and the United States commissioner at Benton, Polk county, held him to the next term of the federal court. The aged clergyman could not give bond and he was brought to the Hamilton county jail to await trial in October.

Story of a Slave

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitter, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working

medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed, only 50¢. Sold by P. H. Franklin, druggist.
